

Attendees:

Janet Morris	Gwen Sandilands	Donna Harrington	Karin Bourque
Deb Lyons	Susan Howard	Allyson Printz	Gail Falewicz
Rose Lerer	Carol Gallagher	Lisa Reed	

Meeting started with introduction of new members Susan and Deb, and round table introductions.

Open floor. Minutes accepted.

Updates:

GS gave an update on the budget. There are still no solicits from teachers to use funds. Motion to accept report and seconded.

Socials: The socials over all were well attended. Chick fillet sandwiches sold, slow to start, however, students who bought the sandwiches were happy with them but there was not an overall excitement. There was no follow up on the masks or masquerade party. We now have some masks that can be used for a future activity.

We should look at future use for QN, talent show for fund raising opportunities.

The talent show went very well. The show was very long, but the IACS community had fun. Next year suggestions are shorter acts, and better music coordination. We made \$357.67 from selling popcorn, hotdogs, and soda.

Tae Kwon Do one person signed up, we will receive \$50.

Development committee; we are pleased with this year so are interested in new parent coffee, 8:00 to 9:00 in September. A suggestion is 4 dates in September. Also a fall festival, pumpkins, IACA could do yard sale etc. They also want to do a musical comedy night like they did last year. Saturday 11:00 to 3:00 we could also do a vendor table rental. Staff appreciation dinner will happen again as it did this year. IACA will offer to help.

Camp Darfur event will borrow the DJ equipment and signed the contract.

New Business,

Elections; The following board members were approved for the 2010/2011 school year.

President: Janet Morris
President-Elect: Gail Falewicz
Treasurer: Paula Girouard
Co-Secretaries: Kathy Krystofik & Lisa Reed
Fundraising Coordinator: Heather Landis
Volunteer Coordinator: Susan Howard
Publicity: Annie Accettullo
Enrichment Coordinator: Carol Passarelli
Library Lead Chair: Carol Gallagher
Library Volunteer Coordinator: Kerry Wellenstein
Hospitality: Allyson Printz
Book Fair Coordinator: Karin Bourque
Socials /Dances: Tracy Leedberg will be DJ but **we need a coordinator to line up volunteers, etc.**
Box Top Coordinator: Kate Conran
Destination Imagination Coordinator: OPEN

Motion by GS second by RL to vote the slate, everyone approved.

Destination Imagination: We do not have a coordinator. GS suggested that we put a notice in the Dispatch that DI is in jeopardy and if parents are not willing to step forward it will not happen next year. It was suggested that we look at making changes to how it is funded. Perhaps the school wants to take responsibility (fund a stipend for a teacher to organize this since it is consistent with the mission of the school). JM agreed to look into this. DL suggested that we reach out to incoming parents; JM suggested that perhaps we could have a DI table at the June Welcoming Day.

Basket Raffle, going along, information is not going out to home base. The basket raffle needs more communication going out to students. The May 12th flyer will be going out to teachers.

Assembly May 17th. Tickets will be sold at the play, (shows, send e-mail to Google board to see who can sell tickets and advertise May 21st) Book fair, June 1st – 4th Art Show June 4th

Robotics Club: Donna Harrington (attendee) was an advisor to the robotics club. The club was very popular. However it took up a lot of time and energy. They now have 12 Mindstorm kits—which she felt was a good number. Donna is making a proposal for a robotics camp for a week in the summer.

Pay for Activities: Principals provided list of Clubs, providers, etc, We discussed asking for students to pay for activities. Then, the advisors would receive a stipend and it would encourage more of a commitment on the part of the students. GS offered to

prepare a budget for next year if JM can get her the number of kids participating in each of the clubs....She will host a budget meeting in August.

Sell Chick Fil-A at Art Show with pastry, sell food at prominent location. Sell food at book sale location.

Start with 50 sandwiches. \$3.50/sandwich

Susan updated the group on a Volunteer data base which includes, name, baking, phone # grade, e-mail. The software is named PTO Manager Software. Susan will check in to the software and see if there are any fees. The software will generate reports, and provides tracking.

Summer reading, required reading so that we can have books at book fair. Will get books from Book Fairs, by Book Ends.

Gift Cards: There is one more chance to buy them this year.

School Calendar: KB was concerned about details not included on the school Google calendar. She mentioned end of quarter dates, report card dates, etc.

Year end Canobie or Water country day trip when school is out. It could be the last week of school. Canobie \$20/person for group rate, need only 25 people. The trip could also be set for October for Halloween. 18th of June is open from 9:30 a.m. to 10:00. We decided to skip this for this year.

Early release June 8th: We decided not to have an activity on this date. There are too many other activities at this time.

Equipment for purchase, hand out with web links. LR had info on popcorn machines. GS bought the first water dispense and will buy another.

Job Matrix; List of positions, look the list for June. Add on if you can think of something.

Set up for book fair on early release day.

Semi formal, \$200 for pictures; other item, moving up day, never provided any funds.
