Heather-100% club is at 54%- approximately \$24,000, We gave a round of applause. She shared some ideas for the 100 day of school week. Shamus stated his student government would like to participate with the 100% initiative week.

Possibility to sell bracelets in the cafeteria.

Heather proposed an idea that would publish the names of contributors on the back of The Connection, no dollar amounts would be specified. Possibly doing this throughout the month of February, every Friday. The idea should be discussed with Walter. Heather also proposed that next year she would like to put up a giving tree where family names are posted on leaves of the tree.

Valerie-School Spirit. Pretzel Jar contest was a success. The winner was Zacharey who received his prize prior to Christmas vacation. The next contest is the Baby photo contest. Suggestion from Shamus was to get the pictures and create a ballot. The idea is for the students to guess the identity of as many teachers and administrators as they can. One submission per child. The winner shares a pie with his/her favorite teacher or administrator. Susan suggested we put a baby hawk on the ballot for an automatic right guess.

Valerie agrees to stand in as Vice President to help Janet. She is withholding an agreement to President elect.

Need to advertise Roller Skating – posters

5/6 Dance-Feb 11, Susan to contact chaperones who previously volunteered for this event.

It should be made clear that chaperones should arrive ½ hour early to help setup or stay ½ hour late to clean up. We discussed the idea of having a parent room so parents could have a place to wait. It needs to be clear that they are not able to visit the students and nor should there be chaperones in the parent waiting room.

Valerie- task to design a form for request for monies from IACA.

Alexandra (a student) - not in attendance, had requested a Cancer Dance fundraiser. All dances are already scheduled for this year with the admissions accounted for. Alexandra should come to a meeting and see how IACA can otherwise assist her in her project.

Ice Cream Social January 21st, is approved. The student/family will purchase the ice-cream. It is a family friendly event. Janet would like RSVP's on Dispatch to have an estimated count.
