Principal Business:

New Business /Upcoming Events:

1. Heather gave an update on the Quality Night Store. It has not made a profit as of yet, but is expected to once all of the prepurchased supplies are sold.
2. Lori discussed getting student volunteers from the HS to help with various IACA events. She will look into this to see if it is possible for these students to earn their service hours for their assorted organizations (ie: Nat'l Honor Society, Boy Scouts, etc).
3. Lori relayed a request from Greg. He was hoping to receive a gift from IACA to help enhance the library. He is looking to purchase 31 Kindles and Cases, 5 USB Hubs for charging, and 2 Databases at a cost of \$2, 556. A motion was made and passed to gift \$2,600 to the school for the enhancement of the library.
4. The upcoming Spiritwear Fundraiser was discussed. IACA is planning on purchasing six items to have on hand at the Embrace Winter Social in February. It was decided that IACA would purchase a jacket, sweatshirt, sweatpants, two collared polo shirts (a men's and a women's) and basketball shorts. Lori will be getting in touch with Nolan regarding the Red Brick Clothing offering on the Athletic's page to confirm that IACA is not encroaching on any fundraising the Athletic Dept. may be doing.
5. Michelle and Sheila have contacted the HB Liasons and HS Advisories regarding the themes for the raffle baskets that will be offered at the Embrace Winter Social. There will be 8 baskets coordinated throughout the school—Four at the HS (one for each grade) and Four at the MS (one for each team).
6. Heather discussed the Embrace Winter Social and that they are hoping to gather different groups/organizations/and students throughout the school that would like to be a part of the event to perform or present. Again discussed getting the HS students to help with this event and earning service hours.

7. Heather gave an update on the Big Time Social which will be held on April 4th. This is an adults only fundraiser for the school. The theme this year will be a Casino Night. She discussed the two options available for running a Casino Night, whether there would be 1.) approx. 60 volunteers to run the casino and have the playing done with cash or 2.) have dealers and use chips instead of cash and at the end of play the players will be able to use their chips in a drawing for special prizes. Possible prizes discussed were: Lori has contacted comedians to donate items and then would like to get tickets to a show/a hotel room for an evening/and dinner. Also, Andrea will be contacting Stop and Go Driving Academy regarding donating classes.

8. Bill would like IACA to discuss different types of signage that can be used to advertise events. Signs need to be sturdy, easily read and have a professional look. There is a need for information to be more effectively relayed to the school population.

9. Discussed Roller Kingdom event on January 15th. There will be flyers placed around the school advertising the event and Bill is hoping to have flyers distributed in the parking lots during pick-up to further promote it.

10. Heather or Bill will be looking into costs of renting the local AMC theater for a possible future fundraiser.

Future IACA meetings will be held at the IACS Library.
